Bye-Bye FAC! Hello 8+

You no longer need to use a FAC code to dial long distance numbers from your campus phone. All of ISU can now use the simple new 8+ system.

To call anyone off campus, dial 8 (to get an outside line) plus the number you would normally dial.

8 plus the number. Simple.

Example: Off Campus local call: 8+208+232+1234
Off Campus Long Distance call: 8+1+317+406+1234
